

## SELF-DRIVING TIPS

### KEEP EVERYONE INFORMED

Let them know the route you're planning to travel and keep them regularly updated.

### VIGILANCE AT TRAFFIC LIGHTS AND INTERSECTIONS

Always be cautious and alert at traffic lights and intersections.

### EMERGENCY-READY

In case of a flat tyre, continue driving until it's safe to stop. Lock your car, then contact help immediately.

### PLANNING YOUR JOURNEY

Research and prepare your route in advance. Keep the doors locked, and windows up always.

### KEEP VALUABLES OUT OF SIGHT

Don't leave any valuables where they can be seen from outside the vehicle. Rather place them in the trunk (boot).

### AVOID PICKING UP STRANGERS

Never pick up anyone you don't know, including hitchhikers.

### AVOID DRIVING AT NIGHT

Use reputable tour operators or transport services if you need to travel at night.
